Perspectives on the World Christian Movement is a unique opportunity for you to understand God's story from Genesis to Revelation and how you can make an impact in the nations and in your neighborhood. It's a 15 week class that meets at Central College on Monday nights beginning on January 14th. We will have speakers from all over the US from a variety of backgrounds talk on Biblical, historical, cultural and strategic aspects of Gods' story. I encourage you to check it out. It matches our mission of the Kingdom around us!
